

Refosco dal Ped. Rosso

An ancient Friulian grape variety that is quite widespread in our region. It has a deep ruby red colour with violet-coloured hues. It is a wine that reveals a spicy nose centred on red fruits. An excellent full-bodied wine, which is gradually softened by ageing.

Grape Varieties

100% Refosco

Alcohol Content

13% Vol.

Vinification Process

Maceration at controlled temperatures, delestage and micro oxygenation. Refinement in tanks on the lees

Location of Vineyards

Friuli plains

Terroir

Silty clay on a limestone base

Training System

Modified Guyot

Plant Density

4,000 per hectare

Production per hectare

180 q/ha

Residual Sugar

2 g/l

Best Served Temperature

10 - 12 °C
